

2011 Holiday Performance Final Reminders

Thank you for participating in the Holiday Performance at the Colonnade of Schwenksville on Saturday, December 3rd at 2:30 PM. The residents are very excited for our performance. All dancers should arrive in costume with hair neatly done by 2:00 pm. Please report to the hallway behind the stage. You will see plenty of dancers/moms walking around so it is an easy find.

The performance will begin at 2:30 and end no later than 3:15. We ask dancers to stay for the entire show, as we bring all the dancers back on stage at the end to sing “We Wish You a Merry Christmas” to the residents. This is a fun, low key performance. It is always nice for the dancers to do something fun for their community. To many, the Colonnade is their home and we are very thankful we have been invited back from year to year to perform for the residents.

Day of Performance:

Arrive 2:00 and report to hallway behind the stage.

Hair – should be neatly done (full pony or half pony/half down)

Make-up – very light make-up (blush, lip stick and shadow is fine)

Hip Hop Dancers – must wear black boot cut stretch pants, Black Hip Hop sneaker & provided t-shirt

Ballet & Tap Dancers – must wear black leotard (any style), pink tights, appropriate shoes (pink Ballet or black Tap shoe) and provided skirt
